

**HALTON STANDARD CONDOMINIUM CORPORATION NO. 718**  
610 Farmstead Drive, Milton, ON L9T 8X5

**NOTICE**

**GARBAGE PROTOCOL**

We would like to remind all unit owners and residents of the garbage room/chute rules. Please be advised that items are not permitted to be left in the garbage chute rooms or on any of the floors. If items are too big to put in the garbage chute, residents are to take the items downstairs to the garbage room to dispose of these items in the appropriate containers.

Items left on the floors pose a health and safety risk to residents. It also encourages the spread of pests, causes bad smells and results in extra cleaning work for the on-site staff that can negatively affect the corporation's budget.

Thank you and we appreciate your full cooperation.
